

## instructions for use

1. Manufacturer: HB-DIGITAL GmbH  
Wahlerstr. 16  
40472 Düsseldorf  
Germany
2. Product: hb-digital wire end ferrules set 175/295/1200 pieces

Set of wire end ferrules is used to protect and fix wires. It contains different sizes of ferrules suitable for different wire diameters. The wire end ferrules are placed on the stripped wire ends to ensure a reliable connection and prevent damage. The set is intended for use in various electrical work such as installing and repairing wiring. It helps improve the safety and durability of the connections by preventing corrosion and short circuits.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
