

instructions for use

1. Manufacturer: HB-DIGITAL GmbH
Wahlerstr. 16
40472 Düsseldorf
Germany
2. Product: hb-digital cage nuts for network cabinet

Set is used to fix devices in a server rack. It helps to fix the devices securely so that they do not slip. Installation consists of placing the nuts in the rack and securing the devices with the screws.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
