

instructions for use

1. Manufacturer: HB-DIGITAL GmbH
Wahlerstr. 16
40472 Düsseldorf
Germany
2. Product: hb-digital cable management panel

Cable management panel is used to organize and fix cables in a rack. It helps to avoid cable tangling and makes organization easier. Installation consists of mounting the panel in a rack and placing the cables using the brackets. This device is used in areas where many cables need to be organized.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
