

instructions for use

1. Manufacturer: HB-DIGITAL GmbH
Wahlerstr. 16
40472 Düsseldorf
Germany
2. Product: hb-digital Keystone Cable Connector CAT 7

Keystone connector is designed for connecting LAN cables with RJ45 connectors into keystone systems. It supports Category 7 cables and ensures high-speed data transmission and a reliable connection. The module can be easily inserted into a standard keystone panel, which facilitates the installation and organization of network connections. It is suitable for use in offices, homes and commercial networks where high performance and stable connections are required. Using this connector allows you to build a well-organized and effective cable infrastructure.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
