

## instructions for use

1. Manufacturer: HB-DIGITAL GmbH  
Wahlerstr. 16  
40472 Düsseldorf  
Germany
2. Product: hb-digital Patchkabel CAT 6

To use this patch cable, connect one end of the cable to the device you want to connect to the network and the other end to the router, switch, or other network device. The cable is easy to route due to its flexibility, making it ideal for tight spaces. Make sure the cable is firmly seated in the connectors to ensure stable data transfer. It is suitable for both home and office networks and can be used to connect various devices such as computers, printers, or televisions. The cable is a simple alternative to wireless connections and provides a more stable connection.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
