

instructions for use

1. Manufacturer: HB-DIGITAL GmbH
Wahlerstr. 16
40472 Düsseldorf
Germany
2. Product: hb-digital photovoltaic assembly tool set

Set includes a crimping tool for connecting solar connectors to cables, a cable cutter for cutting wires, a cable stripper for removing insulation and a spanner for tightening connections. All tools are designed for working with solar cables and connectors. The tools are used to correctly connect wires and make connections in photovoltaic systems reliable. All tools are housed in a case, which makes them easy to store and transport.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
