

instructions for use

1. Manufacturer: HB-DIGITAL GmbH
Wahlerstr. 16
40472 Düsseldorf
Germany
2. Product: hb-digital dust protection plug

Set of dust plugs for RJ45 connectors is designed to protect ports and network connectors from dust, dirt and other contaminants. They are ideal for use in inactive ports or to protect against contamination during periods when the connectors are not in use. The covers are made of robust PVC material, which ensures high durability and reliability. The set includes several protective covers that can be used for different ports. These accessories help maintain the cleanliness and functionality of network devices.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
