

instructions for use

1. Manufacturer:

HB-DIGITAL GmbH
Wahlerstr. 16
40472 Düsseldorf
Germany

2. Product:

hb-digital flush-mounted wall socket USB-A/USB-C

Socket is designed for wall mounting and offers multiple connection options. It is equipped with two USB-A ports and one USB-C port, so that several mobile devices or other gadgets can be charged simultaneously. The device is installed in a standard socket opening and plugged into the mains. It is great for home or office and offers convenient access for charging devices, leaving other sockets free for other purposes.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
