

instructions for use

1. Manufacturer: HB-DIGITAL GmbH
Wahlerstr. 16
40472 Düsseldorf
Germany
2. Product: hb-digital Cable CAT 7 Outdoor

CAT 7 network cable is designed for outdoor use and enables fast data transmission over long distances. It is equipped with shielded conductors (S-FTP) that minimize electromagnetic interference and improve signal stability. The cable is protected from external influences by a robust, weather-resistant sheath, making it ideal for use outdoors or in difficult conditions. It is ideal for laying networks between buildings or in open areas where a reliable and fast connection is required.

Since this is electrical equipment, we strongly recommend that installation be carried out only by qualified personnel to ensure safety and avoid possible damage.
